MESSAGE FROM OUR ORGANIZATION

As we were gathering highlights and statistics for this 2019-2020 Annual Report, our world flipped upside down – first with the passing of our beloved Jack Copeland and then a few weeks later with the closure of Mammoth Mountain Ski Area due to the Covid-19 pandemic. The wonderful memories of 2019-2020 – the blizzards that forced camp participants to train inside, the camaraderie of our summer cycling groups, the holiday group feasts – now feel light-years away. It was a great year for DSES, and we are proud to celebrate it now. We are grateful to all the athletes, families, volunteers, donors, and friends, who were part of DSES 2019-2020. We hope this Annual Report reminds you of the incredible community and connections we share.
